For owners of ill/recovering or older dogs:

Here at 'I Pet Sit' we will care for dogs who may have been unwell or are recovering from an operation or are just elderly. Sadly our furry friends can become ill while you are away or even pass over the "rainbow bridge". We need you to write down (below) what you would want to happen and we can discuss this in more detail when we meet. Your wishes for your furry friend will be followed as far as possible.

You may also wish to speak with your vet and ask what options they provide. We also provide a cremation service of your pet if needed. Please bullet point your exact wishes here, with contact telephone numbers. Thank you.
